Products and Services

Stocks

Cash:

You can buy and sell stocks from the online securities platform with the conventional method of buying, with % cash at the time of purchase.

Systematic Equity Plan (SEP):

SEP helps you avoid timing the stock market and invest in a disciplined manner. It averages the cost of investment.

Futures and Options

Futures:

Get higher exposure to hedge your cash transactions and derivatives transactions

Future Plus:

Take Intraday buy/sell position in the Futures contract and square it off before the market closes

Options:

Trade in index and stock contracts, while limiting your downside

Shares as margin:

Pledge your shares online and get additional limits to trade in Futures & Options (F&O).

Commodities

You can trade on the commodities market all weekdays. However, the market is closed on Saturdays, Sundays and public holidays.

Non-Agricultural Commodities (bullion, metals, oil, etc.): 10:00 a.m. to 11:30 p.m. IST

IPOs

Investing in IPOs has become a lot easier, without any hassle and paperwork.

No need to worry about a refund if shares are not allotted with the Application Supported by Blocked Amount (ASBA) facility.

What is a 3-in-1 Account?

ICICI Bank and ICICIdirect, together offer a unique 3-in-1 Online Trading Account, which integrates your Demat Account, Trading Account and Savings Account.

What are the advantages of a 3-in-1 Account?

The 3-in-1 Trading Account gives you the convenience of opening a Demat Account, Trading Account and Savings Account in a single window.

Integrates your Savings, Trading and Demat Accounts

Single window for all your investment needs

Accessible through multiple platforms for trading, like the web, mobile and Call-N-Trade, where you can place orders and track your investments.

Distinguished brokerage plans for various products

E-ATM - Get money credited to your Bank Account within 5 minutes of selling shares

Buy now, pay later - Never miss a stock investment opportunity

What are the features of a Trading Account?

Seamless Trading: You can trade in shares without going through the hassle of tracking settlement cycles, waiting for money to be credited to your Demat Account.

Security: Instead of transferring money to a broker's pool or towards deposits, you can manage your own Demat Account.

Wide range of products: Share trading on both NSE and BSE, provides offerings like - Margin, Margin Plus, and Zero Margin.

Control: Be assured that your order will be precisely placed for the amount you wanted without any deviation.

Tracking and review: Monitoring your investment is as important, if not more, as making that investment. Our iLens tool helps you track your investments.

Research tool: iLens is a smarter way to access the market every day. It can help you identify stocks based on various parameters.

How do you start online investments?

After opening a Trading Account, you need to have some balance in your Savings Account linked with your Trading Account.

What is the difference between a Demat Account and a Trading Account?

The key difference between a Demat Account and a Trading Account is that a Demat Account is used to hold shares and other securities.

What are the charges for opening an ICICIdirect 3-in-1 Account, which includes a Demat Account, a Trading Account and a Savings Account?

There are no charges for opening a Demat Account and Trading Account but for the maintenance of the Accounts.

There are no Annual Maintenance Charges (AMCs) for a Demat Account in the first year. However, a charge will be levied for the subsequent years as per the T&Cs.
